

QUAI WILSON

A unique lake-side city break

Situated on the southwest shore of Lac Lemman, Quai Wilson is a unique and modern collection of 5 private full-floor apartments representing the epitome of style in the heart of Genève.

Blending period features and elegant contemporary design, this is an ultra-luxury building in a class of its own.

Heart of Switzerland's
Elegance and Charm

Opulent finishes throughout the property

The 5 residences, ranging from 3 to 6 bedrooms, each offer absolute privacy and five-star service at the same time.

The property also boasts an indulgent wellness area including sauna, hammam, and two private treatment rooms.

Entirely bespoke...

Each refined apartment is comprised of the finest of materials from Italy. Exuding warm earth tones and opulent touches throughout, the interiors offer subtle variation of palette and texture, so each is unique. Combining fine wooden flooring, rich textiles and dramatic chandelier lighting, each residence exudes sophistication and polish.

Kitchens feature versatile state of the art appliances and open layouts for relaxing or entertaining, while exquisite living and dining areas create a welcoming city retreat. As night falls guests will enjoy the comfort of spacious bedroom suites, with master bedrooms spanning more than 26m² and affording lake views to match those to be enjoyed from the living areas.

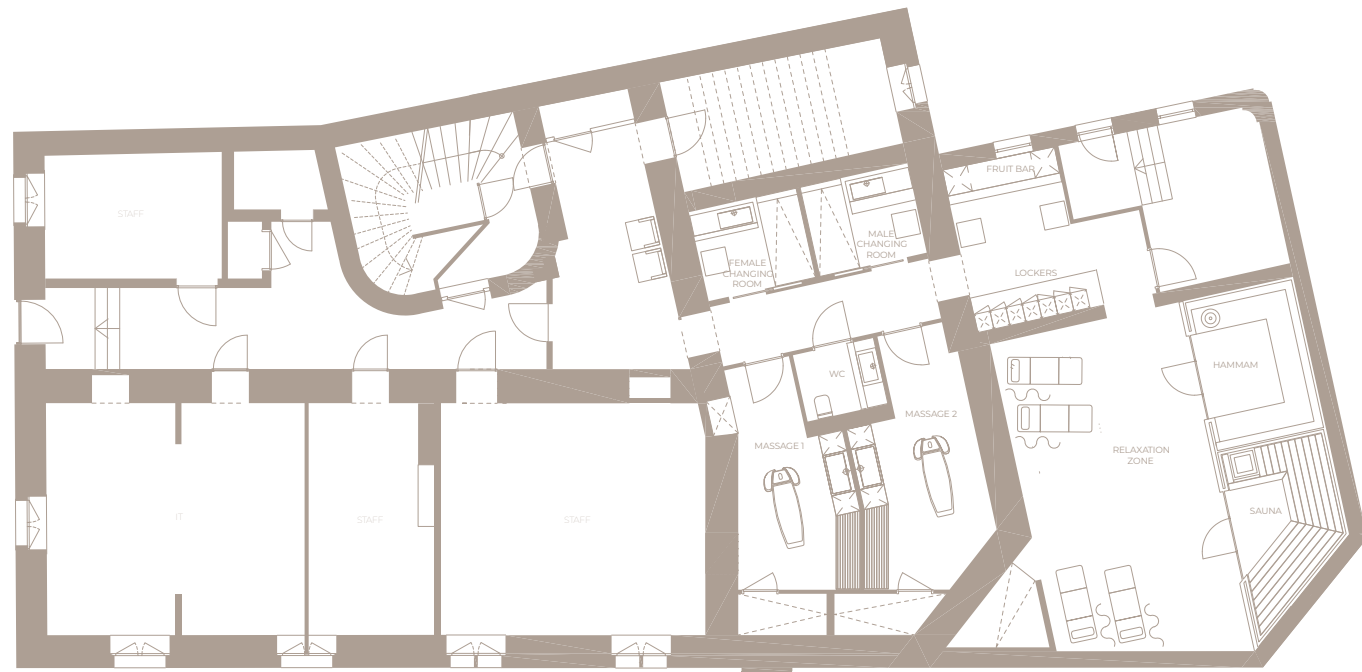

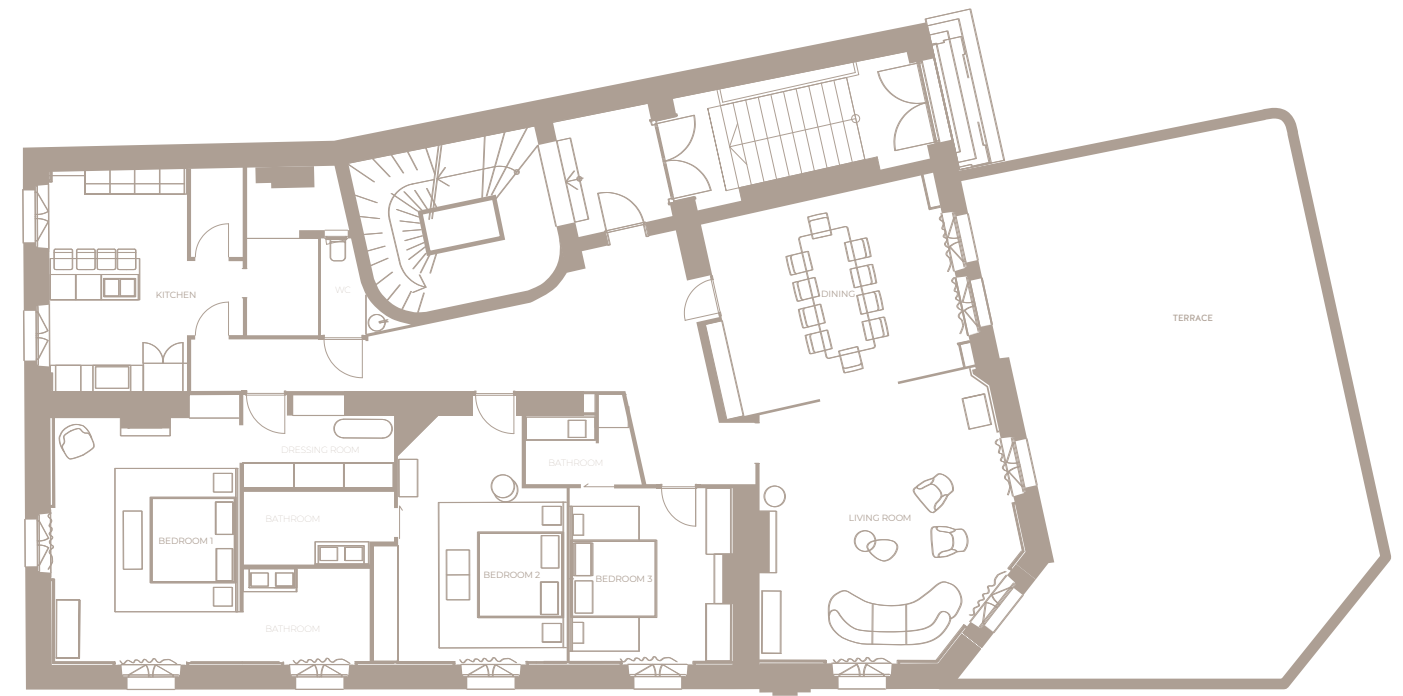

Wellness

Take inspiration from the tranquil waters of Switzerland's largest lake, and enjoy a subterranean floor of wellness, exclusively reserved for guests staying at Quai Wilson's 5 residences. Indulge in the sauna or hammam, ease everyday stresses and aches in the two massage rooms and relaxation zone.
