Explore Hidden Waters

Nestling on the hillside, dominant and elegant, its stone walls with character impose themselves in a linear architecture. Its wide, deep terraces are living spaces, its generous, enveloping vegetation, the silence of nature, the sound of the waves, the turquoise that floods our eyes and life on the sea as a scenography.

There's nothing more captivating than “Hidden Waters”, with its location facing the blue, its in/out living spaces, its ensuite bedrooms and its staircase leading down to the sea and the beach.

La Croix Valmer is famous for its stunning beaches, vineyards, and nature walks offering breathtaking views of the Mediterranean.
