Just a short stroll from the golden sands of Pampelonne, tucked away in the peaceful seclusion of Ramatuelle, Villa Clea invites you to rediscover the gentle art of Provençal living, wrapped in an atmosphere of understated elegance. Beneath soft-hued façades and the protective shade of ancient olive trees and towering parasol pines, time seems to slow, offering you the luxury of simplicity. Here, days unfold to the rhythm of nature, carried by the scent of lavender and the distant hum of cicadas. The garden, meticulously tended, stretches over 4,200 sqm, a lush sanctuary of green inviting you to embrace the Mediterranean way of life. Under the radiant sun, the heated swimming pool becomes the heart of languid afternoons, its generous 17-metre length inviting you to swim, float, and dream beneath the gentle canvas sails. A shaded summer lounge awaits nearby for moments of quiet repose, while a discreet corner of the garden houses a barbecue, ready to host leisurely al fresco meals. Villa Clea exudes a serene, welcoming charm. Behind its shutters, 500 sqm of living spaces unfold, designed for comfort and conviviality. The living room opens gracefully onto the terraces, blending refined furnishings with the warmth of a family home. A library, deep sofas, carefully chosen lighting – each detail tells the story of a discreet, timeless luxury. In the dining room, beneath a floral chandelier, twelve guests can share meals where time seems to stretch effortlessly beyond dessert. The villa's eight bedrooms, each with its own ensuite bathroom, offer distinct ambiances – some fresh and maritime, others soft and romantic. Several open onto the garden, while others are nestled quietly aside for those who seek greater privacy. A charming dormitory for children adds a playful, carefree note to this welcoming retreat. Outdoors, meals take shape according to your mood: on the sunlit main terrace or the more intimate rear patio, shaded beneath a parasol. Nature is ever-present, the silence broken only by the rustle of leaves or the laughter of children playing on the paths. Villa Clea is a home for those who cherish holidays free from schedules, where days shift from swimming in the pool to napping in the shade, from strolling through Saint-Tropez to impromptu dinners beneath the stars. A home that feels like yours, only better. A home where you'll find yourself already longing to return. Excellence Riviera is at your side to bring your simplest or boldest desires to life. From chartering a yacht for a day at sea, to securing a beachfront lunch or arranging a helicopter transfer, everything is orchestrated so your stay at Villa Clea becomes a cherished memory, one you'll want to relive again and again.
